Introduction

Lotoks Projects Pty Ltd is a South African registered consulting and recruitment agency established in October 2020. The company specializes in international recruitment, student placement, and workforce mobility solutions across various industries.

We focus on sourcing and recruiting qualified, skilled, and non-skilled candidates from Africa and Asia for opportunities abroad, including Europe, Australia, New Zealand, the United Kingdom, and other international destinations.

As a consulting agency, Lotoks Projects Pty Ltd works closely with employers, institutions, and strategic partners to connect reliable talent with global opportunities in sectors such as transportation, healthcare, caregiving, hospitality, construction, education, agriculture, and general labour.

Our company motto is **"Ideas for Growth."**

Through professionalism, transparency, and ethical recruitment practices, we aim to provide excellent consulting and recruitment services that meet international standards while creating life-changing opportunities for candidates.

Lotoks Projects Pty Ltd is committed to building long-term partnerships with employers, institutions, and organizations worldwide by delivering dependable staffing and consulting

Vision

To become a globally recognized and trusted consulting and recruitment agency that provides professional, efficient, and ethical recruitment solutions while empowering individuals through international employment and educational opportunities.

We aim to expand our global footprint and become the preferred Professional Service Provider (PSP) for employers, institutions, and strategic partners worldwide.

Mission Statement

Our mission is to provide reliable, transparent, and professional consulting and recruitment services in accordance with international standards, labour regulations, and ethical business practices.

We are committed to:

- Delivering quality recruitment and consulting solutions
- Building strong international partnerships
- Promoting compliance and professionalism
- Empowering candidates through global opportunities
- Providing excellent client and candidate support throughout the recruitment process
